

I am alarmed by
Sinclair
Broadcasting's
decision to force
their stations to
broadcast a
documentary that is
blatantly anti-Kerry
and clearly a
partisan smear
tactic.

My understanding is
that any use of
public airwaves free
of charge should be
in the service of
public interest, not
a blatant attempt at
character
assassination and
electioneering.

I demand, as a
tax-paying citizen
of this democracy,
that Sinclair be
held accountable for
their attempts at
breaking the law and
that this film not
be permitted for
broadcast.

We need to
strengthen media
ownership rules,
rather than diminish
them. Democracy is
only as safe and
healthy as the media
that watches and
protects it by
broadcasting truth,
not manipulation.
